Gate 1 traffic on Martin East rerouted to new lanes

Traffic at Gate 1 on Martin Road East is being rerouted to the newly constructed lanes.

During peak morning hours, from 5:30 to 8:15, three inbound lanes are open. There is no outbound traffic during morning peak hours.

During other times of the day, outbound traffic will be condensed into the single right lane only.

Incoming commercial vehicles are still being routed into the parking area for inspection.

Marshall emergency support services is S.H.E. focus

During April, the Safety, Health and Environmental focus topic is Marshall's emergency support services. To assist in raising awareness on what to do if an emergency occurs, HEMSIs emergency medical technicians are available to speak at group safety meetings. To arrange for a guest speaker, call Brenda Bradford at 544-5650 or Alison Boylen at 544-5651.
